SENATOR KAHLE: I'm going to be very, very short.

SPEAKER MARVEL: Go ahead.

SENATOR KAHLE: I think we have a pretty good bill now. I believe it will help cut down on the bills that come in. I think everyone is going to have a fair chance. I believe we will know who the bills are from. So I urge adoption of the amendment.

SPEAKER MARVEL: All those in favor of adoption of the amendment vote aye, opposed no. Have you all voted? We're voting on the adoption of the Carsten rule change as amended. Record. Senator Beutler, did you ask for a roll call vote?

SENATOR BEUTLER: Yes, I would like a roll call vote. If we're not under Call, Mr. Speaker, I would like to have a Call of the House also.

SPEAKER MARVEL: The first question is, shall the House go under Call? All those in favor vote aye, opposed no. Record the vote.

CLERK: 26 ayes, 4 nays, Mr. President, to go under Call.

SPEAKER MARVEL: We're under Call. All legislators return to their seats, record your presence. Unauthorized personnel please leave the floor. Okay, no one is excused. Senator Koch, will you record your presence, please. Senator Keyes. Senator Schmit. Senator Beutler. Senator Cullan. Senator Brennan, Senator Pirsch, Senator Reutzel. Mr. Sergeant at Arms, Senator Pirsch and Senator Keyes are missing. Will you please locate them and invite them to return. Senator Kelly, for what purpose do you rise?

SENATOR KELLY: Mr. Speaker, a point of information, namely forty votes to suspend the rules to introduce bills, is that included in this vote that we're taking? Or maybe we should have the Clerk read the rule change again.

SPEAKER MARVEL: Do you want to answer his question? Okay, read it again. While we're waiting for two legislators, the Clerk will again reread the amendment.

CLERK: (Reread the amended proposed rule change.)
